Poletje na Dvorcu Visoko

SUMMER AT VISOKO MANOR

Poletje v Poljanski dolini prinaša številne razloge za obisk, eden izmed osrednjih kulturnih in družabnih prostorov ostaja Dvorec Visoko, ki s svojo bogato dediščino in slikovitim okoljem vabi na doživetja, prežeta z zgodovino, umetnostjo in pristnimi lokalnimi okusi.

V objemu glasbe, okusov in umetnosti.

Od junija do avgusta vsak petek zvečer Dvorec Visoko zaživi v znamenju glasbe. **Poletni glasbeni večeri** ponujajo raznolik izbor lokalnih izvajalcev v pravljici kulisi. Obiskovalci lahko v sproščenem vzdušju uživajo v glasbi, ob kozarcu vina in sladkih dobrotah in v prijetni družbi. Celoten program glasbenih večerov je na voljo na spletni strani: www.poljanskadolina.com

Med vrhunce poletja uvrščamo dogodek **Visoški lonec**, ki bo na Dvorcu Visoko potekal 18. julija ob 18. uri. Gre za edinstveno prireditev, ki povezuje zgodbo kraja, izvorno lokalno jed in skrbno izbran kulturni program.

Avgusta se bomo prepustili čarom kina na prostem, filmska večera bosta na sporedu 14. in 18. avgusta. V petek, 22. avgusta, bo Dvorec Visoko gostil koncert Adija Smolarja, avgust pa bomo zaključili s Tavčarjevimi kulturnimi večerom 28. avgusta.

Tudi september bo raznolik, udeležili se boste lahko **tematskega pohoda »Cvetje v jeseni«**, ki povezuje naravo in literarno zapuščino ter že skoraj tradicionalnega Oktoberefestja, prežetega z glasbo, druženjem in sproščenim veseljem.

There are many reasons to visit the Poljane Valley in summer. One of the main cultural and social spaces is Visoko Manor, whose wealth of heritage and picturesque environment invites visitors to discover its experiences imbued with history, art and authentic local flavours.

IN THE EMBRACE OF MUSIC, TASTES AND ART.

Every Friday evening from June to August, Visoko Manor comes alive with music. **Summer music evenings** boast a diverse selection of local performers in a fairytale setting. Visitors can enjoy listening to music in a relaxed atmosphere and in good company, whilst enjoying a glass of wine and some sweet treats. The full programme of music evenings is available on the website: www.poljanskadolina.com

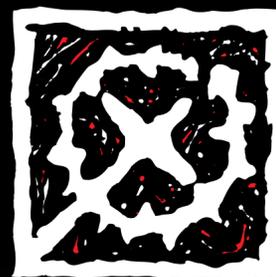

Among the highlights of the summer is the **Visoko lonec** cultural and culinary event, which will take place at Visoko Manor on 18th July at 6 p.m. It is a unique event that combines the story of the area, an original local dish and a carefully selected cultural programme.

August brings the charms of **open-air cinema**, with film evenings scheduled for 14th and 18th August. On Friday 22nd August, Visoko Manor will host a concert by **Adi Smolar**, and August will come to an end with **Tavčar's Culinary Evening** on 28th August.

September will also be diverse, with the opportunity to participate in the 'Flowers in Autumn' themed hike, which connects nature and literary heritage, and the almost traditional Oktoberfest, filled with music, socialising and relaxed joy.

škofjeloški pasijon
PROCESSION LOCOPOLITANA
1721

Doživite enkratno izkušnjo pasijonske predstave! Experience a unique Passion Play performance!

Škofjeloški pasijon se prihodnje leto vrača na trge in ulice srednjeveškega mesta, tokrat prvič kot del Unesco dediščine, saj je bil leta 2016 vpisan na UNESCO-v Reprezentativni seznam nesnovne kulturne dediščine človeštva.

Dobrega četrta stoletja od prve moderne uprizoritve, ob 300 let starih zapisih patra Romualda, se lahko skozi baročno izrazno moč preselite v središče krščanskega in kulturnega izročila. Na odrih, ki se mogočno pomikajo po srednjeveških ulicah Škofje Loke, se bo prihodnje leto ponovno odvila edinstvena uprizoritev pri kateri sodeluje več kot 600 nastopajočih.

The Škofja Loka Passion Play will return to the squares and streets of the medieval old town next year, this time for the first time as part of UNESCO's heritage, as in 2016 it was inscribed on UNESCO's Representative List of the Intangible Cultural Heritage of Humanity.

Over a quarter of a century after the first modern performance, equipped with the 300-year-old records written by Father Romuald, visitors can travel through the Baroque expressive power to the heart of Christian and cultural tradition. This unique performance will take place again next year – in 2026 – with more than 600 performers taking part on stages that move majestically through the medieval streets of Škofja Loka.

Noč ima moč – med sence in strahove z grajskim oskrbnikom!

THE NIGHT HAS POWER – AMONG SHADOWS AND FEARS WITH THE CASTLE'S CARETAKER!

Po sončnem zahodu, ko se v Škofji Loki začnejo prižgati luči, na Loškem gradu postane zelo, zelo temno. Prebujati se začnejo duše, ki so že stoletja ujele med stene gradu. Znane sobane in predmeti v temi dobijo povsem drug obraz. Kar naenkrat se boste znašli v gledališki predstavi in filmski srhljivki obenem. Tu bo oživila uršulinska krona, tam se bo premaknila nagačena žival, zažvenketali bodo stari ključi in skrinje, s sencami bodo zaplesali glavniki, žebliji in angeli v kapeli. Oskrbnik v črni loški halji s kapuco buri domišljijo in seje strah. Od spalnice Kalanovih do Pasijonske sobe se korak za korakom odkrivajo temne skrivnosti prebivalcev gradu.

After sunset, when the lights start to come on in Škofja Loka, it gets very, very dark at Loka Castle. Souls that have been trapped within the walls of the castle for centuries begin to awaken. Familiar rooms and objects take on a completely different appearance in the dark. All of a sudden you will find yourself in a theatre show and a horror film at the same time, where the Ur-suline crown will come to life, stuffed animals may move, old keys and chests will jangle, and combs, nails and angels in the chapel will dance with shadows. The caretaker in a black hooded Loka robe stirs the imagination and spreads fear. From the Kalans' bedroom to the Passion Room, the dark secrets of the castle's inhabitants are revealed step by step.

Pijte vodo iz pipe – kakovostna in okolju prijazna izbira

Na Škofjeloškem območju imamo izredno kakovostno pitno vodo. Oglejte si zemljevid pitnikov in preverite, kje lahko napolnite svojo steklenico ali se preprosto odžejate.

Z izbiro vode iz pipe prispevate k ohranjanju naravnih virov in zmanjšanju količine odpadkov.

Drink tap water – a quality and environmentally friendly choice

The Škofja Loka area has exceptionally high-quality drinking water. Take a look at the map of drinking fountains to see where you can fill your water bottle or simply quench your thirst.

By choosing tap water, you contribute to preserving natural resources and reducing waste.

Odkrijte Škofjo Loko z okolico na trajosten način – s kolesom eKOLOka

Kolo eKOLOka si lahko izposodite že na Železniški postaji Škofja Loka, če potujete z vlakom, in se nato zapeljete do mestnega jedra ali do naravnih in kulturnih lepot v okolici. Tako boste naredili nekaj dobrega zase in za območje.

Izposoja in vračilo koles je preprosto in možno na desetih postajah na območju Škofje Loke – prek aplikacije mobiln.si ali v Turistično informacijskem centru Škofja Loka.

Discover Škofja Loka and the surroundings in a sustainable way – on an eKOLOka bike

We recommend that you explore Škofja Loka and its surroundings in a sustainable way, i.e. by hiring an eKOLOka bike for just EUR 1 per day.

If you are travelling by train, you can hire an eKOLOka bike at the Škofja Loka Railway Station, and then ride to the old town centre or to see the many natural and cultural beauties in the area. In doing so, you will do something good for yourself and the area.
